ABSTRACT

This document is an index to the original volume and six supplements of the "Annotated Bibliography of Multi-Ethnic Curriculum Materials." The original volume was published in 1974. The index is divided into three major categories: race, sex, and general. Within the first category are sub-topics for specific racial groups. These include Afro Americans, Chinese Americans, Japanese Americans, Mexican Americans, Native Americans, Puerto Rican Americans, Vietnamese Americans, and white ethnic groups. The second category contains a sub-topic of sex roles. The third category contains sub-topics of bilingualism, community relations, desegregation, education/curriculum, multiethnic materials, poverty, and values/human relations. Within each sub-topic various forms of media are listed such as films, filmstrips, sound recordings, photo aids, simulations and games, periodicals, books, and bibliographies. For every entry the index provides a reference to the volume (supplement) number and page number where the entry occurs. (AV)
